Session Overview

- Current status and potential future of DACA
- Potential impact on students
- Implications for the Global Education & Education Abroad community
- Legal considerations
- How institutions can prepare
- Opportunities for advocacy
- Discussion
- Closing & Resources

What do we know about the
current status and potential future
of DACA?

How might the administration's
announcement to rescind DACA
impact students?

What are the implications for the
Global Education and Education
Abroad community?

What are some current legal perspectives that the higher education community should be aware of?

What questions should institutions
be asking right now to prepare?

What are opportunities for the Diversity Abroad community to advocate for students and families impacted by this announcement?

Questions & Discussion

- 1) What kinds of things are you doing on your campus to support undocumented and DACAmented students?
- 2) What resources/strategies have you or colleagues at your institution used to support students in dealing with the anxiety associated with the unknown future of DACA?

What's Next...
